BY GRAND + BENEDICTS

PORTABLE CLASSROOM SNEEZE GUARDS FOR STUDENTS

SAFE AT SCHOOL

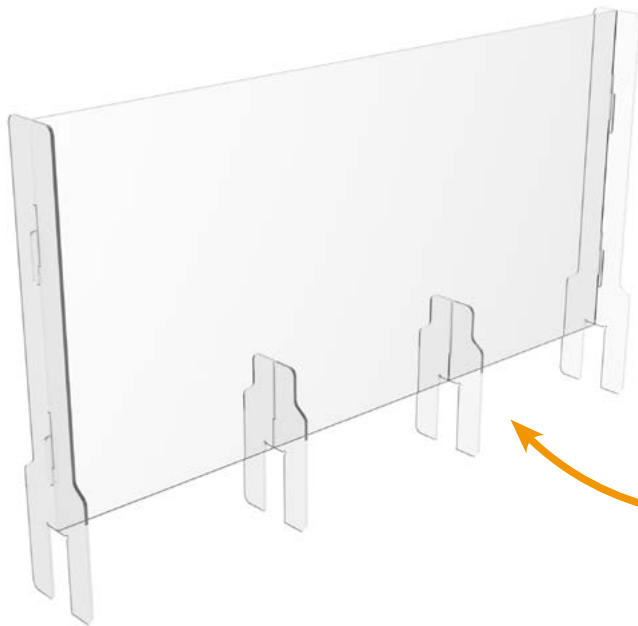

**THREE PANEL
DESIGN WITH
BUILT-IN HANDLES!**

Protect students and teachers with portable plexiglass shields made specifically for classrooms. Each sneeze guard includes three panels that fold flat for storage and transportation. A built-in handle makes it easy for students to carry the sneeze guard between classrooms. Made with a 1/8" thick clear acrylic you get maximum visibility while keeping weights and costs low. Each panel in this example measures 24" x 24", but the sneeze guards can be made in a variety of sizes. Please inquire for more information and pricing.

We also stock a large selection of sneeze guards for receptionists and we can produce plexiglass extenders for office cubicles for administrators.
